Dear Concession Nation's team,

I just wanted to drop you a note to thank you and your entire team for the results of the build out on our Pita Pit food trailer. We received it on time and in perfect condition at our depot in Norfolk and will open on time. Your guidance and results will be big part of this success. My partner Buzz told me the Navy people who have seen the trailer are very excited about how good it looks both inside and out. It is our hope that we will expand this idea to other areas and my plan is to use Concession Nation to build them.

Thanks again

Alan
